

Product Overview

The HUAWEI MateBook X Pro (MateBook X Pro for short) is a 13.9-inch ultra-slim laptop with FullView display and 11th Gen Intel® Core™ i7-1165G7 / i5-1135G7 processor (Tiger Lake UP3).

With a metallic finish, thickness of approx. 14.6 mm and weighing only at approx. 1.33 kg, the MateBook X Pro is a premium, lightweight personal computer that you would not want to miss.

The MateBook X Pro features a 3K LTPS touchscreen display with resolution of 3000 x 2000 pixels, contrast ratio of 1500:1, 100% sRGB color gamut (typical), and screen brightness up to 450 nits (typical). This impressive list of specifications is complemented with screen-to-body ratio of 91% and flexible viewing angle that can reach as far as 178 degrees. The laptop is also equipped with a 720P HD recessed camera. To top off, Huawei Share is supported on the laptop. The MateBook X Pro is a smart assistant that comes with the official Microsoft software and 4K video playback for your enjoyment. It is definitely the best working and entertainment partner.

Charge your laptop, transfer data or use DisplayPort with either USB-C ports on the left.

Check out below for images of MateBook X Pro (available in two colors: Space Gray, Emerald Green).

Features

FullView design

- 13.9-inch LTPS screen with a resolution of 3000 x 2000 pixels, 100% sRGB color gamut (typical), 178-degree viewing angle, 450-nits maximum brightness (typical), and 10 point multi-touch.
- 4.4-mm narrow bezel and 91% screen-to-body ratio combined with an aspect ratio of 3:2 and 3K display deliver an outstanding user experience.

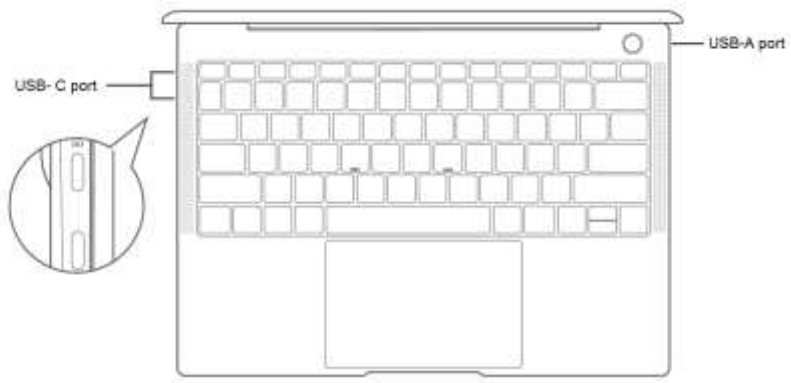

Ultra-thin laptop with metallic finish

- Premium quality metallic finish
- Light (approx. 1.33 kg) and thin (approx. 14.6 mm)

Smart experiences

- Huawei Share: With the Huawei Share sensor built into the touchpad, you can simply tap your phone to the touchpad to transform them into "ONE" super device. Your phone screen will pop up automatically on your HUAWEI MateBook X Pro, so they can work together seamlessly.
 - 💬 Only certain HUAWEI phone models support Huawei Share. For more information on compatible models, visit: <https://consumer.huawei.com/en/support/huaweisharewelcome/>.
- HUAWEI Free Touch: The HUAWEI Free Touch precisely senses your pressing on the whole touchpad and gives you vibrational feedback.
- Finger Gesture Screenshot: Capture any figure with your hands and your computer will automatically extract the text from the figure in an efficient and convenient way.
- The integrated design for power button and touch fingerprint sensor allows you to log in to your MateBook X Pro easily and safely with just one touch.
- The powerful quad speakers and split frequency set-up, offers you woofers with deep and resonant bass and tweeters with clear treble.
- Innovative recessed camera design adds an extra layer of security.
- Huawei PC Manager, already preinstalled on the MateBook X Pro, provides smart services including hardware checks, system driver updates, power consumption savings, and 24/7 online support service.
